

## **GB DECISIONS/RECOMMENDATIONS**

- 1) The Governing Board decided to implement the procurement “Management of the Joint Procurement Strategy for Fuel Cell Buses” included in the AWP 2015, as amended by the GB Decision of 30 April 2015.
- 2) The Governing Board recommended to externalise the elaboration of the FCH 2 JU customers’ satisfaction survey.
- 3) The Governing Board recommended to use the Technology and Innovation Monitoring (TIM) system, developed by CERN and the Joint Research Centre, to monitor FCH activities.

**For the Governing Board, on 30 June 2015**

**Pierre-Etienne Franc**

**Chair of the Governing Board of the FCH 2 JU**
