

PRE-INFORMATION NOTICE

Negotiated procedure for leasing Hydrogen powered Fuel Cells car(s) for the Fuel Cells and Hydrogen 2 Joint Undertaking

Fuel Cells and Hydrogen 2 Joint Undertaking (FCH 2 JU) is planning to award a contract for leasing Hydrogen powered Fuel Cells car(s) for the Fuel Cells and Hydrogen 2 Joint Undertaking.

In order to promote FCH technologies towards EU policy makers and citizens, the FCH 2 JU wishes to lease (a) hydrogen fuel cell car(s) to be used mainly in Brussels and Belgium.

The FCH JU has leased hydrogen fuel cell cars in the past and made them available for testing by staff members, Members of the European Parliament, Commissioners, EU Officials and other policy makers at their convenient time. As this experience was a success the FCH 2 JU would like to lease again FCH car(s) for duration of (maximum) 4 years.

The objective is to continue the experiment of driving hydrogen fuel cell car(s) and discover its reliability, performance and the progress made in this type of new vehicles powertrain or for any demonstration opportunity FCH JU could consider necessary.

FCH 2 JU intends to invite potential candidates and send them the tender specifications with full details in the second half of August. If you would like to be considered for this contract, please contact FCH 2 JU via info.procurement@fch.europa.eu by **Thursday 11 August 2016**.

Please note that expressing interest to participate in the above-mentioned procedure does not give rise to any legitimate expectations to be invited.

This notice is in no way binding on FCH 2 JU. FCH 2 JU contractual obligation commences only upon signature of the contract with the successful candidate. Up to the point of signature, FCH 2 JU may either abandon the procurement or cancel the award procedure, without the candidates being entitled to claim any compensation. Candidates will be notified.
