FCH JU 2016 D4029

Dear Sir/Madam,

**Subject: - INVITATION TO TENDER**  
**- FCH-contract-163 – Study on trends in terms of investments, jobs, growth and environmental impact of Fuel Cells and Hydrogen 2 Joint Undertaking**

1. The Fuel Cells and Hydrogen 2 Joint Undertaking (FCH 2 JU) is planning to award the contract referred to above. The procurement documents consist in this invitation letter, the tender specifications with their annexes and the draft contract.
2. If you are interested in this contract, you should submit a tender in one of the official languages of the European Union. It is recommended that tenders are presented in English although presentation in another official language of the European Union does not lead to exclusion.
3. You must submit your tender exclusively by electronic mail to [info.procurement@fch.europa.eu](mailto:info.procurement@fch.europa.eu). The tender must be received no later than **23:59 CET on 21 August 2016**.
4. Tenders must be perfectly legible so that there can be no doubt as to words and figures.
5. The period of validity of the tender, during which tenderers may not modify the terms of their tenders in any respect, is 3 months from the date indicated in point 3.
6. Submission of a tender implies acceptance of all the terms and conditions set out in the procurement documents and, where appropriate, waiver of the tenderer's own general or specific terms and conditions. The submitted tender is binding on the tenderer to whom the contract is awarded for the duration of the contract.
7. All costs incurred for the preparation and submission of tenders are to be borne by the tenderers and will not be reimbursed.
8. Contacts between the contracting authority and candidates or tenderers are prohibited throughout the procedure save in exceptional circumstances and under the following conditions only:

Before the date of receipt indicated in point 3:

Upon request, the contracting authority may provide additional information solely for the purpose of clarifying the procurement documents.

Any request for additional information must be made in writing only to [info.procurement@fch.europa.eu](mailto:info.procurement@fch.europa.eu).

The contracting authority is not bound to reply to requests for additional information received less than six working days before the date of receipt of tenders indicated in point 3.

The contracting authority may, on its own initiative, inform interested parties of any error, inaccuracy, omission or any other type of clerical error in the text of the procurement documents.

Any additional information including that referred to above will be posted on <http://www.fch.europa.eu/page/procurements>. The website will be updated regularly and it is your responsibility to check for updates and modifications during the submission period.

After the opening of tenders:

If obvious clerical errors in the tender need to be corrected or confirmation of a specific or technical element is necessary, the contracting authority will contact the tenderer provided this does not lead to substantial changes to the terms of the submitted tender.

The contracting authority may negotiate with tenderers the tenders they have submitted, in order to adapt them to the procurement documents and in order to find the most economically advantageous tender. The minimum requirements defined in the procurement documents are not subject to negotiation. During negotiations equal treatment of all tenderers will be ensured. The contracting authority reserves the right not to negotiate and to award the contract on the basis of the tenders initially received.

9. This invitation to tender is in no way binding on the contracting authority. The contracting authority's contractual obligation commences only upon signature of the contract with the successful tenderer.
10. Up to the point of signature, the contracting authority may cancel the procurement procedure without the candidates or tenderers being entitled to claim any compensation. This decision must be substantiated and the candidates or tenderers notified.
11. Once the contracting authority has opened the tender, it becomes its property and it shall be treated confidentially.
12. You will be informed of the outcome of this procurement procedure (award decision) by e-mail only. It is your responsibility to provide a valid e-mail address together with your contact details in your tender and to check this e-mail address regularly.
13. If processing your reply to the invitation to tender involves the recording and processing of personal data (such as your name, address and CV), such data will be processed pursuant to Regulation (EC) No 45/2001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. Unless indicated otherwise, your replies to the questions and any personal data requested are required to evaluate your tender in accordance with the specifications of the invitation to tender and will be processed solely for that purpose by the FCH 2 JU.
